

## EDITORIAL

*Mediterranean Journal of Education* is an academic journal published in electronic online format. The journal aims to facilitate regional and international dialogue on theory and research in the Educational Sciences. The *MJE* is a collective initiative taken on by the **Department of Educational Sciences and Early Childhood Education** of the **University of Patras** in Greece and presents different educational, pedagogical and didactical approaches across the Educational Sciences spectrum and offers a wide range of papers on academic and interdisciplinary research and practice.

This international, open-access, and free of charges journal, is governed by a peer-review process. All manuscripts will be subject to double-blind peer review by two referees. But before sending the article to the reviewers, a member of the Editorial Board checks if the text can have any chance.

The articles are published in English or French, according to the author's language preference.
